

Laurea Magistralis "Molecular Biology and Genetics"

Academic year 2017-2018 - 2nd year - 1st semester

Room A - Palazzo Genetica - Via Ferrata 1

Room "Falaschi" - IGM-CNR, Polo Cravino, Via Ferrata

Room A3 - Polo Cravino - Via Ferrata, 1

Room E - Cascina Cravino, via Bassi 21

Room B - Palazzo Botta 2 - Via Ferrata 9

Room C - Palazzo Genetica - Via Ferrata 1

Room Buzzati-Traverso - Palazzo Genetica - Via Ferrata 1

Classes will start on October 9th, 2017

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
9-10	Developmental Biology	Plant Molecular Biology and Biotechnology	Plant Molecular Biology and Biotechnology	Developmental Biology	Cellular Biochemistry
10-11	Developmental Biology	Plant Molecular Biology and Biotechnology	Plant Molecular Biology and Biotechnology	Developmental Biology	Cellular Biochemistry
11-12	Cellular Biochemistry	Molecular Genetics		Molecular Entomology	Molecular Genetics
12-13	Cellular Biochemistry	Molecular Genetics		Molecular Entomology	Molecular Genetics
14-16	Molecular Entomology		Advanced Microscopy	Advanced Microscopy	

Cellular Biochemistry – Proff. Giampaolo Minetti, Lars Kaestner - room "Falaschi"

Developmental Biology – Prof. Carlo Alberto Redi – Monday, room "Falaschi"; Thursday, room A3

Plant Molecular Biology and Biotechnology – Proff. Alma Balestrazzi, Anca Macovei, Susana Araujo - Room "Buzzati-Traverso"

Advanced Microscopy – Prof. Marco Biggiogera – Wednesday, room A; Thursday, room B

Molecular Genetics – Prof. Donata Orioli – Tuesday, room C; Friday, room "Falaschi"

Molecular Entomology – Prof. Mariangela Bonizzoni – room A
